## NEW LUXURY RESORT ON RIVIERA MAYA

The Riviera Maya's newest-kid-on-the-block of regal resorts is a member of Leading Hotels of the World and houses 103 luxurious suites, tucked along a private enclave of sandy beach.

Located mid-way between Cancun and Playa del Carmen and just minutes from Puerto Morelos, the resort features four swimming pools: for adults-only, one for children, a family pool and lap pool. Other highlights include a full-service spa, tennis courts, gourmet restaurant, lobby bar and small grocery store.

For children, a Kid's Club offers supervised activities throughout the day, while adults can partake in free classes such as Zumba, tennis and Spanish.

Authentic British high tea is served daily from 4 - 5 p.m.
