**Perfect perfection with two special offers from Ocean Club Resorts**

These value-driven deals make spring and summer vacation planning easy

**PROVIDENCIALES, TURKS & CAICOS – February 10, 2016** – Two special offers from Ocean Club Resorts, a dual property retreat in Providenciales, Turks and Caicos, are all set to convert the sometimes elusive dream vacation into a reality. Just in time for the spring and summer!

Conveniently located on Grace Bay Beach - a delightfully soft stretch of sand bordered by brilliantly clear blue water that never ceases to impress - the dual-property resort offers everything solo travelers, families, groups of friends and couples may be looking for in a relaxing getaway. Easy air access, the luxury of no shoes or schedules, all-suite accommodations, multiple amenities and a location that is within close proximity to fun off-site activities are only some of the things sure to top even the most rigorous checklists.

The special offers include:

**EVERY 5TH NIGHT FREE**

Guests who book hotel stays by March 4 for travel between April 4 and June 30, 2016 receive their fifth night free. This offer applies to all room types excluding three-bedroom suites. Each suite is appointed with full kitchens, washers and dryers, and an airy, screened in balcony. The resort also provides a complimentary shuttle, making it convenient for guests to enjoy the facilities at both properties.

This offer requires a five-night-minimum stay, cannot be combined with any other special offers and is subject to availability. Nightly rates start at US\$239 for a studio suite. Bookings must be made through the U.S. reservations office only.

## **GOLF ADD-ONS**

Why worry about in-season and off-season tee-time prices when you can play on a beautifully manicured 18-hole championship course pretty much anytime of the year? For only US\$125 per person, guests can secure one round of golf when booking their accommodation at Ocean Club West or Ocean Club East. Even better, they can purchase up to four additional rounds of golf at the same price each, at the time of making their hotel reservation. The offer translates into overall savings of up to 25 per cent. The package includes a golf cart and the bragging rights of being able to say you teed off at Provo Golf Club, one of the top 10 courses in the Caribbean.
