Below are surefire ways to create a stress-free, memorable and fun family vacation at all-suite Ocean Club Resorts this summer.

Make use of the in-suite kitchens

All of Ocean Club's guests benefit from the convenience and availability of a full kitchen included in every suite. Parents can stock the refrigerator with fresh fruits and other healthy snacks for the whole family while saving money. Perhaps parents can bond with kids while making breakfast together or prepare a fresh conch ceviche together after a visit to the nearby conch farm.

Seafari for the kids

Many parents hope their children leave a vacation with a memorable experience that leaves them reminiscing for months. Luckily, they can take advantage of Ocean Club's signature [Seafari](#) environment exploration game - a fun and educational scavenger hunt for explorers of most ages. At check-in, each child is given a game kit that identifies the various indigenous plants and species that can be found at Ocean Club; they then search the property to find and identify things like rock iguanas and geckos, bugs and snails, hummingbirds and mourning doves and the islands' famous bottlenose dolphin, Jojo. The kids then record where they found them and prizes are awarded for completed searches.

Take advantage of the pristine, white sand beach

A good beach is one of the highlights of a memorable tropical vacation. As the number one beach in not only the Caribbean, but the world, Grace Bay Beach features powdery white sand, crystal-clear waters and an average water temperature ranging from 79 -84 degrees Fahrenheit year-round. The beach is clean and clutter-free and Ocean Club's signature pink umbrellas and beach chairs are spaced out on the miles of beach so there's plenty of space for kids to play and parents to relax. The only thing to be seen are sand dollars and seashells.

Stay at one, play at both

Guests of Ocean Club Resorts can take advantage of the amenities of both properties at no extra cost, which are located just one mile apart. Guests can take a casual walk on the beach or hop on the free shuttle between the resorts to take advantage of the following amenities:

- 3 Freshwater pools
- 3 Restaurants
