HAWKS CAY RESORT®

**HAWKS CAY RESORT RINGS IN THE NEW YEAR WITH MODERN STYLE**

*The iconic Duck Key resort finished its multi-million-dollar renovation in April 2016.*

**DUCK KEY, Fla.** – Hawks Cay Resort, located on Duck Key, has a fresh new look. This spring, the resort completed a full-scale renovation that will further solidify its spot as the premier entertainment and vacation capital of the Middle Keys.

The highly anticipated Marina Walk was the final showpiece of the renovation. It is home to both the resort’s watersports experts and charter captains, but it also hosts shops, live entertainment and a new restaurant, Angler and Ale, that features expansive outdoor seating with multiple fire pits, private dining and panoramic sea views.

“People come to the Keys for the water and to experience the unique island flavor found here, so it only makes sense that our redesign reflects the natural beauty that surrounds us,” said Hawks Cay’s Managing Director, Sheldon Suga. “By bringing the fresh colors and beautiful light of the outside into the décor, we’ve created an authentic Keys experience at every turn.”

As part of the renovation, the resort has added a variety of new amenities and activities to create memorable guest vacation experiences. These include a complete lobby redesign, including a 1,300-gallon aquarium, a refreshed Calm Waters Spa and relaxation lounge, luxury private cabanas at the adults-only pool area, The Oasis, and chic penthouses equipped for stargazing.

The renovated kids’ activities center, Coral Cay, features renovated Pirate Ship Pool and Splash Zone a new high-tech hangout for teens and an expanded educational program complete with an indoor, saltwater touch tank designed for children age five to 12.

The resort also fully renovated and expanded its meeting facilities encompassing 20,000 square feet and accommodating groups of up to 600 people, making Hawks Cay the largest conference venue in the Florida Keys.

Hawks Cay Resort, Villas and Marina, is the premier destination in the Florida Keys for outdoor fun in the sun. A recipient of the AAA Four Diamond Award and a member of the Preferred Hotels & Resorts Lifestyle Collection, this 60-acre, tropical destination is easily accessible by car, boat or plane yet feels worlds away from everyday life.

On-property, guests enjoy offshore, flats and backcountry fishing; diving; kayaking; kiteboarding and standup paddleboarding programs; Cliff Drysdale tennis program; Segway tours and the only resort-based Dolphin Connection program with complimentary daily viewings. The Resort is

also home to 225 two- and three-bedroom villas, six restaurants, a saltwater lagoon, five swimming pools and the award-winning Calm Waters Spa.
