- **Casa Manana**
This ocean front villa is equipped with private dock and beach areas, personal infinity plunge pool and refreshing alfresco showers. Other indulgent features offered by the 1500 square foot villa include panoramic views of the Caribbean, mosquito netting, granite counter tops and exotic hardwood cabinets.
- **Casa Olita**
Casa Olita offers honeymooners and lovers a secluded, ocean-front view and has been found to be the most luxurious of villas offered by the resort. The one-bedroom, 1500 square foot villa treats guests to spectacular sunset vistas from inside the villa, the infinity plunge pool, private dock and beach areas.
- **Casa Aurora**
The center of Casa Aurora has a living room with a butler's pantry that opens to a two-level deck/pool area – allowing your living room to be turned into outdoors poolside during the day. Casa Aurora features the largest private plunge pool on the entire island and being 2100 square feet in size, has the capability of sleeping four guests if you need a little extra room. This is the island owner's favorite house!
- **Casa Estrella**
Casa Estrella offers guests an ocean-front view from the luxury of a two-story, two bedroom villa and is complete with an open-air master bedroom. With two private docks and the ability to have a 360 view of the surrounding Sea from inside the first floor of the villa, the 2600 square foot villa sits as the largest in the resort. Casa Estrella also features a personal plunge pool, alfresco showers, and has the option of furnishing the downstairs bedroom with two twin beds upon request.
